

Spring 2026 - Hearing Rehabilitation Group

WHO?

This group is open to adult individuals who use hearing aids and their communication partners, as well as individuals who do not currently use devices but would like to address their hearing difficulties.

WHAT?

- Sessions are in-person for around 1.25 hours
- Sessions are led by an audiologist and graduate MS-SLP students
- Class size is limited to 10 individuals.
- Session content is member driven and will vary each week but will include topics such as:
 - How does hearing work?
 - Why are conversations in noise so difficult?
 - Why don't people talk clearly and what can I do about it?
 - How do I use my technology effectively?
- Group participation is **no cost**. Donations are welcome.

WHY?

Our group is designed to help individuals improve their communication and listening skills, and learn strategies to manage communication more effectively in their lives.
